have no objections to him doing it but I want to do it too.

PRESIDENT: Senator Syas and then Senator Clark. Motion is to suspend the rules and take up 795 on General File.

SENATOR SYAS: Again I rise, I have got my underlined bill, I couldn't underline two of them any how. 932 and 933 are probably the most important bills in this legislature than the budget. I can't do anything with them. Those would be the two that I would bring to the top of General File, so you could legally run for Governor and Lt. Governor. But no one cares, not even the Lt. Governor candidates or the Governor candidates in this legislature.

PRESIDENT: Senator Clark.

SENATOR CLARK: I think that everyone has underlined bills up there and that seven million dollars the way we are spending money we could take that out of petty cash. What I am saying is that we have to get the budget bills, lets get the budget bills and take these things up tonight. Tonight is the night we are going to go on underlined bills. Lets get the budget bills out of the way.

PRESIDENT: Senator Richendifer.

SENATOR RICHENDIFER: Well, Mr. President, I just wish that Senator Syas and those would quit growling about it. If they had the same privileges that I had with the motion. They can make the same motion. Quite your growling and vote on it.

PRESIDENT: Any further discussion of the motion? Alright the motion is to suspend the...Senator Fellman did you want to be recognized? Alright, it is dangerous to stand up around here any more. The question is do you want to suspend the rules and take up LB795 on General File at this time. If you do vote aye, if not vote no. Suspension of the rules does take 30 votes. Senator Richendifer is asking to take up 795 on General File. Well, have you all voted? Senator Richendifer, what do you say?

SENATOR RICHENDIFER: Oh I suppose that we could filibuster here for just a minute until that not voting one came down some, we can see what the fate might be. I hate to ask for a call of the house and take the time right now. Evidentially since seven million dollars is petty cash, I suppose that we had just as well forget it.

PRESIDENT: Clerk will record. 15 ayes, 19 nays.

PRESIDENT: I'm afraid that the motion has lost. We will move to the General File, unless there are other motions on the desk involving the bills, we will move to the General File consideration of 1054.

CLERK: Read LB1054

PRESIDENT: Senator Marvel, you have the floor.

SENATOR MARVEL: We are on the Department of Administrative Services, and I call your attention to page 75, and on page 75 line 6, there is a ear marked of \$352,750 which is not only to
